

# PARTY/SPECIAL EVENT

NEW PRODUCT SHOWCASE

## Easy RFID Pro tracking solution

845-709-8885; [easyrfidpro.com](http://easyrfidpro.com)

The handheld Easy RFID Pro tracking solution from Easy RFID Pro, Poughquag, N.Y., tracks incoming and outgoing assets such as tents, inflatables, linens and more. Users can add multiple devices by department or give tent installers the option to scan products in the field. The system can help warehouse teams get the complete picture of assets they are unloading and if they need to be washed, repaired or returned to stock.

## Eureka! The Tent Co. canopy

800-235-2607; [eureka-partytents.com](http://eureka-partytents.com)

The Revolution™ canopy from Eureka! The Tent Co., Binghamton, N.Y., features 15-ft. side pole spacing. The tents are available in 15 by 15 ft., 30 by 30 ft., 30 by 45 ft., and 30 by 60 ft. sizes. They feature one-piece tops made from 13-oz. white blockout. The canopy comes with a tent bag and sidewall rope permanently installed.

## Georgia Expo Manufacturing Corp. vinyl tent block covers

770-408-1060; [georgiaexpo.com](http://georgiaexpo.com)

The vinyl tent block covers from Georgia Expo Manufacturing Corp., Suwanee, Ga., are made from heavy-duty vinyl and sized for the most popular tent blocks, the company says. The covers are designed to handle outdoor conditions while complementing the look of the tent. The covers are available in a glossy, white finish with a corresponding stitch color along the bottom so the user can keep track of each size for inventory. The product features holes for tie-off points.

## EverBlock, a Div. of Versare Solutions, portable partition

844-725-6398; [versare.com](http://versare.com)

The Versare Room Divider 360 folding portable partition from EverBlock, a Div. of Versare Solutions, New York, features 360-degree rotating hinges. The portable divider can be used to create a wide variety of shapes from "L" edges to circular "C" shapes, or straight free-standing dividers.
